Big Science, Big Fun Incursion

Dear Parent/Guardian,

Stage 2 will be having a science themed incursion on **Friday 23rd June** run by Fizzics Education. 'Big Science, Big Fun' is a science based performance allowing students to discover the magic of science and how it affects light, movement and sound. This incursion is being used as a way to celebrate our learning in science.

The presenters from Fizzics Education will showcase a variety of scientific activities such as a nail chair, rubens tube, hair-raising electricity experiments, a giant gyroscope, and much more!

When: 10am Friday June 23rd (Term 2, Week 9)

Where: School hall

Cost: \$11

The completed permission form and money is due by **Wednesday 21st June**. Please ensure that the permission note and payment are returned to school by this date.

Sincerely,

Stage 2 Teachers
