## **CORRIMAL PUBLIC SCHOOL P&C MEETING** **TUESDAY 9<sup>TH</sup> JUNE 2015 - PRINCIPAL'S REPORT**

### **TERM 2 2014**

With less than three weeks remaining in the term, it is a nice time to reflect on what has been achieved to date. This term we have completed three major initiatives, the 2015-2017 School Plan, our 2014 Annual School Report and a School Audit. This is in addition to teachers working busily on Semester 1 reports as well as the many other daily activities that have made CPS a very busy place to be. As a principal, I can confidently say that this has been the busiest term of my time at CPS. Having said that, it has also been a very successful term and I would like to thank all our dedicated staff, students and P&C for your contributions in making our school the great place it is!

### **125<sup>th</sup> YEAR**

We have an upcoming meeting planned for this Wednesday, 10<sup>th</sup> June (tomorrow). I would encourage anyone who has some time and interest in being a part of this special celebration to join us in the Staff Room from 3:15pm.

### **SCHOOL APP**

I have signed our school up for the SkoolBag App! The App was made available to iPhone users late last week and is available to be downloaded at the App Store for free. I am looking forward to having training on how the App can be used to maximise our community engagement. Stay tuned!

### **STAFFING 2015**

Mrs Napper returns this Thursday, after being on maternity leave for the birth of her second child. Mrs Napper will be teaching Illuka on a Thursday and Friday each week. I have met with Mrs Napper several times leading up to her return and she is very keen to get back and work with our 4/5 students, reconnect with staff and parents. Last Thursday, Illuka had an opportunity to meet with Mrs Napper. Most students have had Mrs Napper teach them in the past and there was certainly a lot of enthusiasm shown for her return. Mr Humphery has done an excellent job since Mrs Caldwell's departure and will continue on the class on Monday, Tuesday and Wednesday.

### **TEN/TOWN NIGHT AND INTERRELATE NIGHT**

On Tuesday, we had our Parent Mathematics Night, which was attended by around 30 parents. The night was a huge success and I thank all those parents for attending. I would also like to thank Mrs Strauss and Mrs Kerrie Faulkner for presenting. On Thursday, we had our Interrelate evening where our Years 3-6 students and their families could attend. Again, the night was very successful, with the small group atmosphere creating a really positive and fun learning environment. We hope that everyone involved, found these nights to be a worthwhile experience.
