It is recognised that, due to various situations, there may be times when students may be unable to adhere fully to the code. On such occasions, a note should be sent to the school identifying the extenuating circumstances.

The P&C will continue to maintain a used clothing section (or clothing pool) and the school will continue to provide support for families experiencing financial difficulty. Parents should not hesitate to contact the principal should they require assistance.

Sun Safe

We have a school sun safe policy. All students are encouraged to wear a school hat and we follow a “**NO HAT, PLAY IN THE SHADE**” regime. If children forget their hat, they must play under the COLA (Covered Outdoor Learning Area). Hats can also be purchased at the school office.
