THE CORRIMAL CONNECTION

PRINCIPAL'S REPORT

Welcome Back to Term 4!

I hope everyone had a fantastic holiday break. I enjoyed spending time with my family and not having to manage the school morning rush hour. The weather was much better in the second week but the rain in the first week, whilst inconvenient to my planned golf games, was much needed for our farmers all over Australia. Our first week back at school was very settled and it was a terrific start to Term 4.

I know all our teachers were busy in the holidays preparing work for their classes so that learning could start on the very first day. There are many extra-curricular activities planned for this term, including soccer clinics for all classes and Grandparents Day on Friday 26th October.

STAFFING UPDATE

Mrs Everson and Mrs Veljanovski have both taken long service leave and will be away for the beginning of this term. Mrs Everson is being replaced by Mrs Abbott Monday to Wednesday and then Mr Martin will teach Cooina on Thursday and Friday. Mrs Veljanovski's role is being managed internally and she is not replaced.

Mrs Holland returns to work this term after her unfortunate accident and she is looking forward to working with Arinya once again. I would also like to thank Mrs Brown and Mrs Napper for the wonderful work they did during Term 3.

Mr Martin and Mrs Napper will be job-sharing Tulang this term. Mr Martin will be teaching the class Monday to Wednesday and Mrs Napper will teach the class on Thursday and Friday.

Mrs Cocks and Mr Erskine will be team teaching Euroa for the first 3 weeks of this term and then Mrs Cocks will be having surgery on her knee. Mrs Cocks won't be returning until 2019 but Mr Erskine will be teaching the class in her absence. He is familiar with the students and the routines of Euroa so it will be a smooth transition. I would like to wish Mrs Cocks a speedy recovery from her surgery and I am sure she will pop in for a visit when she is fit enough.

SPORTS IN SCHOOLS

Sporting Schools is Australia's largest school-based sports participation program to help children foster a lifelong interest in sport. Sporting Schools brings together schools and sports to help get Aussie children active in their local communities. We have been fortunate enough to receive funding to participate in this initiative. This term all students at CPS will be involved in a 5 week soccer program, which is being organised by Sydney FC. I have noticed that we have many keen soccer players so I'm sure this will be exciting news!

SELECTIVE HIGH SCHOOL IN 2020

I know it is early and it will make high school seem closer than it is but if you have a child in year 5 and are thinking of applying for a **government selective high school for Year 7 entry in 2020** you must apply online before November 12 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

SCHOOL EVALUATION

Thank you to all families who completed surveys at the end of last term. Over 140 surveys returned which is an incredible result! The committee collated all responses during the holidays and met last Tuesday afternoon to analyse and discuss the parent survey responses. We will be meeting again on Tuesday afternoon to analyse student and staff feedback. Thank you to the parents who gave up their time to attend the parent forums during the last week, as this also provided valuable feedback.

KINDY ORIENTATION AND KINDER STARTERS PLAYGROUP

This term, we will commence our Kindy Orientation program for all students commencing Kindergarten in 2019 at CPS. If you haven't completed enrolment for your child please come to the office so that we can help you. Our first session is a parent information session which will be held on Wednesday, November 7, at 2-3pm in the Library.

Last Thursday was the first session of our Kinder Starters Playgroup, which is being supported by Lou Coleman, Jill Walker and Michelle Ward. I'm really looking forward to meeting our newest students over the next few weeks and to help them prepare for 'Big School'.

DEADLY AWARDS

Last week, I attended the Deadly Awards Ceremony at Waniora Public School. Two of our students, Larni and Kyla received encouragement awards at this ceremony and I congratulate both of them on this recognition.

GRANDPARENTS DAY

Mrs Giesajtis has been busy preparing our Grandparents Day extravaganza. This event is being held this Friday the 26th of October and you should have received a note outlining the plans for this day and a note to order a sausage sandwich. If you would like to order a sausage sandwich or two, then please complete the note and return it to school by Wednesday, 23rd October.

SILVER MORNING TEA

This Wednesday, I have the pleasure of hosting my first Silver Morning Tea. I'm really looking forward to sharing some food, drink and a chat with all students who have reached this level.

HEAD LICE

Head Lice is a challenge in all schools and there have been reports of this recently. The link below outlines treatment options and we ask that you follow this advice if your child has head lice.

FATHERING PROJECT

I have recently become involved with a not for profit organisation called, 'The Fathering Project'. Originating from the University of Western Australia, their aim is to inspire and equip fathers and father figures to engage with their kids. Being a keen father myself, who is always looking for ways to do better with my own kids, I am hoping to bring their work into our school community. If you would like to know more about this organisation please check out the link below.

<http://thefatheringproject.org/>

Our first step will be to hold a **parents only meeting** on Thursday 8th November at 7.00pm in the Year 6 classroom. Don't worry if you are not sure where to go, I will be waiting outside to direct you. During this evening, representatives from the Fathering Project will tell you what they are all about and how we as a school community can be involved. This will be a relaxed evening and I'm looking forward to meeting everyone.

SCHOOL SWIMMING AND WATER SAFETY PROGRAM

This year, our School Swimming and Water Safety Program will commence on Monday 5th November. This year all students in Year 2 will be attending swim scheme but we also have places for students in year 3-6 who cannot swim 25 metres. There is no charge for instruction, only \$27 per student for pool entry each day. If you would like your child to participate in this program please complete the attached permission note and speak with your child's class teacher.

SICK STUDENTS

During last term and last week, there have been a number of students reporting to sick bay asking to go home. At times, students will often say something along the lines of; "Mum/Dad told me, if I felt unwell to come to the office and then I could go home." If we say this to our children in the morning then I am pretty sure most students will take up this option. If your child is unwell, they are always welcome to come to the office and we will always call parents if we think it is necessary. Perhaps, a different way to handle this is to give the school a call when your child is not around, let us know that they were a bit unwell this morning but you weren't sure and if they do come to the office could you please call me.

PETS ON SCHOOL PREMISES

A reminder that pets should not be brought to school without the prior consent of the teacher or principal. While many of us love pets, we need to also be aware that some students and parents may not have the same opinion, this includes bringing dogs onto the school grounds at the beginning and end of the school day. We appreciate your understanding in this matter.

Mr Hailstone
Acting Principal

A NOTE FROM THE OFFICE

If students with bus passes need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator. **Note:** some R&R operators do not issue travel passes. Students should check with their operator for more information.

For further information visit <https://apps.transport.nsw.gov.au/ssts>

Get ready to sizzle up a storm at the P&C BUNNINGS BBQ FUNDRAISER

Our P&C Association have been lucky enough to score a community fundraiser BBQ slot at Bellambi Bunnings on Sunday 18 November from 8am-5pm. These spots are highly coveted as Bunnings provides us with equipment all set up and groups only need to supply food and drinks to sell and people to run it.

Previous years we have raised about \$1500+ for the school from this fundraiser and we are once again hoping for the same fantastic number of helpers who have made it such a great success in the past.

Bunnings requires 3 people at any given time: one to cook, one to serve food and one to handle money. We have found that one to two-hour shifts work well, of course if some people are happy to do more hours that is brilliant! Below are the shifts we need to fill.

You don't need any experience, just yourself and a pair of enclosed shoes! It's easy and fun and every cent raised goes to help the children and our school. Your kids will think you are a legend and we will too. If you can take a shift please email the P&C at Events@corrimalospandc.org.au with your contact details or hand in the form below at the school office ASAP.

*Thank you.

School Swimming & Water Safety Program

Dear Parents / Carers,

The Department of Education and Communities School Swimming and Water Safety Program is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. Our School Swimming Scheme will commence on Monday the 5th November 2018 and continue for two weeks until Friday 16th November 2018. There is no charge for instruction, only \$27 per student for pool entry each day.

This year, all Year 2 students will be participating in this program. Further places will be offered to students who are in Years 3, 4, 5 and 6 and have not reached a satisfactory standard of water safety and survival skills, and are unable to swim 25m confidently unaided in deep water, are eligible to participate in the School Swimming Scheme.

Swimming instruction will take place at Corrimal Swimming Pool each morning at 9.15am. We will be walking to and from the pool each day, departing at **8.30am sharp**. Students should arrive dressed with their swimming costume under their school uniform and have a bag that contains, a towel, a hat and goggles if required. Sunscreen can be applied at home before arriving at school.

Students will be assessed during the School Swimming and Water Safety Program for all water safety skills without wearing goggles. They will be allowed to wear goggles during the swimming instruction.

Places are limited in this program! Please return permission note and money to the office by **Wednesday 31st October 2018**.

Ethics Classes at Corrimal Public School

Dear Parents and Carers,

Ethics classes are available as an option in NSW public primary schools during the Special Religious Education/Special Education in Ethics (SRE/SEE or 'scripture') timeslot. Primary Ethics is the charity authorised by the Department of Education to create curriculum and train volunteers to deliver ethics classes. The ethics curriculum is available for children from Kindergarten through to year 6.

Ethics classes are discussion based, covering a range of age-appropriate topics. Children learn to express their own views as well as to listen carefully to, and consider, the views of others.

Ethics classes are delivered by trained volunteers using approved lesson materials. Volunteers are usually parents from the school community including:

- Ethics teachers who deliver classes each week
- An ethics coordinator who recruits and supports volunteer teachers and liaises with the school to organise classes

Ethics classes can commence at Corrimal Public School if there is sufficient interest and enough volunteers to deliver the program.

Please return the slip below by Friday, November 30th if you are interested in choosing ethics for your child.

For more information on the curriculum and volunteering, please visit primarethics.com.au or contact Suman A Maharaj at ethics.corrimal@gmail.com.

Sincerely,

Mr S Hailstone

Ethics Classes at Corrimal Public School

Dear Parents and Carers,

Could you be an ethics teacher for Corrimal Public School?

We are seeking volunteers so that ethics classes are available for all families who have requested them.

Ethics teachers receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available at 12.45, every Wednesday each week to teach a half hour class. A small amount of weekly preparation (such as printing and reading through lesson materials) is also required.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit www.primaryethics.com.au <and/or> contact Suman A Maharaj at ethics.corrimal@gmail.com.

week 1. Whimsical Wonders

The Australian Del Kathryn Barton is known for her whimsical depictions of people and animals. Be influenced by Barton's magical artworks and let your mind run free. In this workshop you will work with a range of drawing materials to produce shimmering detailed artworks.

week 2. Life Aquatic

Special scaly guests will be swimming around in the studio today! Join us for a fishy class that will teach you to work with a selection of gorgeous art materials to produce a stunning result. Draw fishy inspiration from Paul Klee, Matisse and the Fauvists.

week 3. Life Aquatic part 2

Build upon your fishbowl this week with a range of striking colours that will bring an element of zing to your underwater world. We will explore collage, watery paints and oily pastels.

week 4. My Phone is a Lobster

...Or is it a unicorn? Expect the unexpected in this 3D assemblage of random objects. The art movement of surrealism will be our source of ideas and amusement, it's a world where the bizarre is the norm.

week 5. Downtown

The city at night is full of dazzling lights and moody shadows. Spend an afternoon constructing a 3D city filled with towering buildings, glowing lights and stories from downtown.

week 6. Downtown Part 2

Continue on from last week's session to add another dimension to your cityscape, will your city feature masses of people? A vast array of cars? How about some spooky Ghosts or Aliens? It's time to let your imagination run wild.

week 7. Slinky Linky Clumpy and Lumpy Tattered and Worn

This week we will work from a still life scene of ropes and chains. A technical class learning how to draw the rusted and shiny surfaces of chain or frayed and tattered rope. You will learn about shading and tone, perspective and composition.

week 8. Weaving Magic

Learn some basic weaving techniques, use colourful yarn and forked sticks to build a contemporary artwork with texture.

week 9. Surprise!

It's the last week of term and we've got a super fantastic class planned... but you'll have to wait until week 9... IT'S A SURPRISE!
