PRINCIPAL'S REPORT

PARENT HELPERS MORNING TEA

There will be a 'Parent Helpers Morning Tea' held in the school hall this Tuesday 4th December, commencing at 11.00am. This morning tea will be prepared by Corrimal Public School staff and is our way of saying thanks to all parents, grandparents and community members who have helped in the canteen, at school events or in classrooms throughout the year. If you have time please come and join us for this small celebration.

PROFESSIONAL LEARNING

Mrs Law and Ms Marks have continued their L3 training. They are very close to finishing their first year of training and have relished this ongoing professional learning opportunity.

Mrs Moore and Mrs Giesajtis attended professional learning for the new science syllabus which will be implemented in 2019. They will lead the implementation of this next year.

ROAD SAFETY

I have heard reports of cars waiting for a park and queuing over the pedestrian crossing. Our school zone is incredibly busy every afternoon. Please follow the road rules to ensure the safety of everyone in our school community. The rangers are due for another visit and fines are significant. Sometimes an extra lap around the block can result in a car space being available.

TALENT SHOW

Notes regarding the talent show have been sent home. This is intended to be a fun end of year event and there are no prizes awarded. Auditions will be taking place over the next few weeks and Ms Marks will let everyone know when their audition is. In the meantime, continue to prepare your act!

CAPTAIN'S SPEECHES

This week our year 5 students will present Captain's speeches. Year 5 boys will present their speech at 2.00pm today and the girls will present their speech at 2.00pm on Wednesday. Parents are welcome to attend and listen to the speeches. The new school leaders will be announced at the Presentation Assembly on Thursday 13th of December.

YEAR 6 JAMBEROO CELEBRATION

Our year 6 students are off to Jamberoo Recreation Park on Tuesday the 11th of December. This is part of their end of year celebrations. I know they will have a great day and represent the school with pride. The bus will depart the school at 9.30am and can I please remind everyone to apply sunscreen at home in the morning and we will remind them again during the day.

PAPER PLANES

Thanks to everyone who joined us yesterday for our first Fathering Project event. Around 60 dads, mums and kids joined the paper plane making and throwing. There were some great paper planes and the plane that went the furthest was owned by Remy and his dad, Gary. This plane travelled 21metres! The Fathering Project will continue at CPS next year and I'm looking for a volunteer father or three to drive this with me. When we return next year, we will have a dads meeting in Term 1 to start planning our next event.

GOLD AWARD CELEBRATION

For all students who have received their gold award they will be participating in a ninja warrior obstacle course this year. This course will not be too challenging and will be a lot of fun. At this stage of planning there will be some food dye used and some water activities. This event will be held on Friday 14th December.

KINDER TRANSITION

Our Kindergarten Transition program concluded last week. It was wonderful to meet our new kindergarten students and their families. The last session finished with our 2019 kindergarten students singing a song on the stage and they were fantastic. They certainly are ready for school!

Our last Kindergarten playgroup session will occur this Thursday. This playgroup has been incredibly successful and is an outstanding initiative. I thank Michelle, Jill and Lou for their voluntary work in organising this to support our newest students, their families and our whole school community.

COS CAROLS 2018

This year, we will be participating in the Community of Schools Christmas Carols event. This will be held this Friday the 7th of December, at Ziems Park Corrimal from 6pm. Permission notes for student participation have been sent home and are due back today. We encourage all students to be involved in this wonderful community event and to enjoy the Christmas spirit. Students who are attending this event will be walking from school to Ziems Park for a practise this Thursday at 12pm.

PRESENTATION DAY ASSEMBLY

Our Presentation Day Assembly will be held on the 13th December, at 12:00pm in the school hall. This assembly recognises student achievement in a number of areas. We hope that you are able to join us on this important day.

EXTRA PLAYGROUND ACTIVITIES

We have been implementing alternative playground activities for our students over the last two weeks. I have been golfing (putting) with students during lunch breaks, Mr Martin has started table tennis and Miss Mulrooney is giving Year 6 time in the hall throughout the week. Currently, these activities are focussed on our stage 2 and stage 3 students and are very popular. We are looking for donations of table tennis equipment, in particular bats. Please contact the office if you can help.

Cricket is also very popular in our playground at the moment, which is fantastic to see. This is one game where students are learning to take it when they are out. We are always talking to students around 'hacking it', which means accepting it when you are out. This is a challenge for all students and they need our support to learn this important skill. Last week, we worked with small groups of students to role play this via handball and a made up hockey game.

That is all for this week. Have a fantastic week.

LIBRARY NEWS

All library books need to be returned immediately as a stocktake of all our books is taking place now.

This is a very important process as our books are valuable resources for students and teachers to read and use. It is necessary for all books to be returned and accounted for, so your assistance in looking for and sending any school library books in would be greatly appreciated. It is a good idea to look around the house as library books have a habit of hiding in many different and tricky places. It doesn't matter how long the book has been out or if it has been damaged, we will be just pleased it has been returned!

On behalf of our school, the students and myself I would like to thank **Mrs Christine Giles** for her help in our school library all year. She has volunteered her time and experience every week to ensure our books are looked after, covered and prepared for borrowing so our students can enjoy them. Her contribution to our library has been invaluable and her dedication to helping our students in encouraging their interest of books is much appreciated. Thank you!

Ethics Classes at Corrimal Public School

Dear Parents and Carers,

Ethics classes are available as an option in NSW public primary schools during the Special Religious Education/Special Education in Ethics (SRE/SEE or 'scripture') timeslot. Primary Ethics is the charity authorised by the Department of Education to create curriculum and train volunteers to deliver ethics classes. The ethics curriculum is available for children from Kindergarten through to year 6.

Ethics classes are discussion based, covering a range of age-appropriate topics. Children learn to express their own views as well as to listen carefully to, and consider, the views of others.

Ethics classes are delivered by trained volunteers using approved lesson materials. Volunteers are usually parents from the school community including:

- Ethics teachers who deliver classes each week
- An ethics coordinator who recruits and supports volunteer teachers and liaises with the school to organise classes

Ethics classes can commence at Corrimal Public School if there is sufficient interest and enough volunteers to deliver the program.

Please return the slip below by Friday, November 30th if you are interested in choosing ethics for your child.

For more information on the curriculum and volunteering, please visit primaryethics.com.au or contact Suman A Maharaj at ethics.corrimal@gmail.com.

Sincerely,

Mr S Hailstone

Ethics Classes at Corrimal Public School

Dear Parents and Carers,

Could you be an ethics teacher for Corrimal Public School?

We are seeking volunteers so that ethics classes are available for all families who have requested them.

Ethics teachers receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available at 12.45, every Wednesday each week to teach a half hour class. A small amount of weekly preparation (such as printing and reading through lesson materials) is also required.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit www.primaryethics.com.au <and/or> contact Suman A Maharaj at ethics.corrimal@gmail.com.

Sincerely,

Mr S Hailstone

AUDITIONS for our 2019 PROGRAM

Singers in Year 3 to Year 8

The Flame Tree Project is an opportunity for talented singers in the Illawarra to perform original choral works based on the amazing landscape of the Illawarra.

Successful students will be invited to attend 2 weekend workshops in Term 1, 2019 at Minnamurra Public School. They will be working with professional composers and choreographers. The workshops will culminate with a performance to friends, family and the general public.

The Creative Director of the Flame Tree Project is Kate Whitworth (B.Mus.Ed Sydney Conservatorium – Teacher at Minnamurra Public School). The program's patron is Michelle Leonard OAM of Moorambilla Voices.

The creative team includes composers Annie Kwok, Josephine Gibson and Andrew Howes, as well as choreographer Jacob Williams.

Workshops will be held: 8.30am to 5pm on Saturday 23 & Sunday 24 February 2019
8.30am to 5pm on Saturday 23 & Sunday 24 March 2019

Final performance: 5:30 Sunday 24th March 2019.

Participation Fee: \$120

Auditions will be held prior to Christmas at 2 locations on the following dates & times:

- Minnamurra Public School hall Saturday 8th December 2018 at 10:00am
- Corrimal East Public School hall Thursday 13th December 2018 at 4:00pm
- Minnamurra Public School hall Friday 14th December 2018 at 3:30pm

Applicants will not be required to prepare an audition piece.

Bonjour!

I am lucky to be part of a large family. With four siblings, there is never a quiet moment! I enjoy looking after the younger two and I spoil them often with homemade pastries. Since the age of five, I have been part of a scout group. Every year I participate with the scouts in trips. Thank you in advance for welcoming me into your family.

HOSTING AT A GLANCE:

- Hosting is voluntary
- You choose your student
- Students attend high school full time
- 24/7 support provided
- Host families come from all over the state
- Students come from all over the world and stay for a short term (8-10 weeks), a semester or a year.

HEAR FROM A HOST MUM

Hosting has been one of the most rewarding and exciting experiences for our family. Romane, our student, was definitely one of the most kind and pleasant people we have met and right from the start was a perfect fit for our family. Being able to share this experience has had a positive effect on all of my young children.
