A small school making a big difference !

THE CORRIMAL CONNECTION

PRINCIPAL'S REPORT

It is hard to believe that we are quickly approaching the end of another school term. The last day of Term 3 is Friday 28th September. School resumes for Term 4 on the same day for teachers and students, Monday 15th October. There is no pupil free day. I hope everyone enjoys the holiday break and I look forward to heading into the last term of the school year, which is always packed with fabulous events and activities.

On Friday afternoon, I shared news about Miss Mulrooney's permanent promotion to Assistant Principal at Woonona Public School. I again congratulate her on this appointment and wish her well with this career opportunity. The good news is that she definitely won't be leaving us until 2019 and rest assured we will recognise her valuable contributions and say thank you at the end of the year.

Please stay safe in the holiday break and if you are travelling, please take care on our roads. I know my family and I always enjoy not having to manage the morning rush of getting organised for school and perhaps staying in pyjamas a little longer.

2018 SURVEYS

Thank you to all families and carers who have returned a 2018 survey. I have a box full of surveys in my office, which is fantastic and they will give us valuable information. It is planned that the committee will spend some of the holidays looking at this information before meeting early next term to analyse the data. The school evaluation committee consists of Ms Mulrooney, Mrs Moore, Mrs Cocks, Miss Marks, parent representative Debb Whiteside and myself.

On Tuesday morning I will be holding a parent forum in the staff room at 9.00am-9.45am and again at 2.00pm-2.45pm. This will again be an opportunity for you to share your thoughts about our school. Students will also complete on-line surveys this week and selected students from stage 2 and stage 3 will participate in student forums on Thursday.

WOLLONGONG NORTH STAFF IMPACT AWARDS

Last Thursday, I attended the Wollongong North Staff Impact Awards at Corrimal East Public School. Two of our teachers received awards, Miss Hayley Mulrooney and Miss Ebony Marks. Miss Mulrooney was nominated by her colleagues for her outstanding leadership at CPS. Miss Marks was recognised for her valuable contributions to the COS carols event held in 2017. I congratulate them both on this recognition and thank them for the work they do every day.

I would also like to acknowledge our two school captains, Bonnie and Jack who did a superb job in representing our school at this event. The following students; Macy, Milly R, Laura, Larni, Alyssa, Milly R, Mataahu, Dane, Malik and Sammy were members of the COS choir and were outstanding. Not only did they sound magnificent but they were smiling and having a wonderful time. Thank you for representing our school and well done!

LEARNING

Week 10 Term 3

NSW CURRICULUM

In NSW public schools we have an Australian curriculum that is separated into the following key learning areas, English, Mathematics, Science, HSIE (Geography and History), Creative Arts, Personal development, Health and Physical Education (PDHPE). There is a large amount of content in each key learning area that needs to be covered and to achieve this schools develop scope and sequences and write integrated units of work. At times, we have requests for many extra-curricular activities and whilst many of them are valuable, it is very difficult to take away teaching and learning time to be involved in everything that is offered.

NAPLAN

Last week results from NAPLAN 2018 arrived in schools. NAPLAN assesses aspects of literacy including grammar and punctuation, reading, spelling and writing, as well as numeracy. There has been some challenges relating to the online access of data for schools. This has been rectified and as of late last week access was available. We have had a preliminary look at this data and will continue to analyse this data during the last week of term and early next term.

Please keep in mind that NAPLAN provides a snapshot of student's assessment at a point in time, results need to be interpreted with care and should be considered together with school-based assessments. Your child's teacher will have the best insight into your child's academic progress and I encourage you to contact them if you have any questions.

Acting Principal

A NOTE FROM THE OFFICE

Unfortunately it is time to rehome our little fishies in the front office, our students and the smooth running of the office must come first and we just can't find the time to look after them properly. We assure you they are going to a good home and will be very well looked after, thank you to Cienna in Omaroo. We do have some nice ideas for the wall area.....so watch this space! Thank you in advance for your understanding.

P&C NEWS

KINDY STARTERS PLAYGROUP –18th October

Calling all Kindy kids of 2019. Come and join us for some storytelling, crafts and activities while you get to know the school and make new friends. Our free playgroup commences on 18th October from 9:15-11am in the school hall and will run every Thursday for 8 weeks. Younger siblings are welcome to come along. Be sure to bring a hat and some crunch and sip (aka fruit or veg snack and drink).

BUNNINGS BBQ FUNDRAISER –18th November

A big fundraiser for our P&C over the years has always been the Bunnings Community Barbeque. Its been a long wait but we have finally been given a date for this year. Our Bunnings BBQ will be held on **Sunday 18th November** at the Bellambi store. Previous years we raised over \$1600+ for the school from this fundraiser and we are once again hoping for

the same fantastic number of helpers that made it such a great success in the past. Bunnings requires 3 people at any given time: one to cook, one to serve food and one to handle money. We have found that one to two hour shifts work well, of course if some people are happy to do more hours that is brilliant! You don't need any experience. It's easy and fun and every cent raised goes to help the children and the school. Your kids will think you are a legend and we will too. If you are interested in doing a shift please email coordinator Bek Palmer at cpsnsw.pandc@gmail.com

NEW P&C EXECUTIVE COMMITTEE FOR 2018-2019

On Tuesday 11 September the P&C's Annual General Meeting was held. We reflected on the past year and congratulated the outgoing committee for all their efforts and service throughout 2016-2017. A new P&C Executive committee was also voted in at the AGM. We welcome all new position holders and look forward to a great year supporting the Corrimal Public School community. Your Executive representatives for 2018-2019 are:

President: Kelly Bolton

1st Vice President : Debb Whiteside

Secretary: Rhiannon Marshall

Treasurer: Karen Boyle

Grants Officer: Angela Johnson

The 2nd Vice President position is still currently vacant and the P&C is seeking expressions of interest for this important role.
