

# CORRIMAL PUBLIC SCHOOL

A small school making a big difference !

## THE CORRIMAL CONNECTION

### PRINCIPAL'S REPORT

Wow! How fast this term has flown. I have thoroughly enjoyed my first term at Corrimal Public School as Principal. Throughout this term I have met lots of students and parents and have felt very welcomed and supported by the entire community. It has been a busy term with lots of activities from carnivals to camp, Public Speaking, Teacher Professional Learning, sport, sport and more sport and the wonderful celebration of Harmony Day last week. As I have watched our school community come together, I realised that I am so lucky to have been provided with the opportunity to lead such incredible staff, students and parents. In the events we have conducted so far our volunteers have been outstanding and I wanted to say a special thank you. Wow, you are incredible and we are lucky to have you. I am extremely proud to be the leader of Corrimal PS and look forward to working with the community for a long time.

#### SCHOOL CROSS COUNTRY

Our School Cross Country Day was not only a huge success, but a lot of fun! Congratulations to Mr Martin who convened the event and all teachers for supporting the day. A sincere thanks to our parents who came to support our students as they ran and even more-so the parents who assisted. Well done to all of our students who challenged themselves on our difficult course. There were some wonderful performances, with many children achieving well beyond what they thought they could achieve! Well done to everyone involved!!

### HARMONY DAY

What a fabulous day was had by all. Mrs Marks and the team were amazing to get everything organised for a smooth flow to the day, what a lucky principal am I to have such fabulous teachers. The students enjoyed all activities and it was lovely to see our leaders supporting our younger students throughout the day. The cooperation, care and collaboration observed made me super proud to be principal of Corrimal PS. Our volunteers who helped on the day deserve a special mention as they worked tirelessly to ensure every student participated in the cultural activities.

They are: Jill Walker, Hera Ngarimu, Vesna Mrkovic, Andrey Subbotin, Alekdandra Kadak, Ani Short, Vesna Mrkovic, Debra Miller, Dr Glen Wheeler and Suman Maharaj. I hope I have you all and haven't left anybody out, I apologise if I have done so.

I would also really like to acknowledge Anantika (1/2 Marring) who performed an Indian dance and our students Hine(K Akama), Rora(1/2 Arinya), George(1/2 Arinya), Kahui (3/4 Omaroo), Mataahu (5/6 Tulang)and Bobbi(5/6 BIRRUNG) who performed the Haka. These students were so brave and so proud to share their culture with the entire school, it was a special moment.

### EASTER HAT PARADE

It's not long now for our much-anticipated annual Easter Hat Parade on **Thursday 11th April**. Students are encouraged to decorate a hat with a "Charlie and the Chocolate Factory" theme. We can't wait to see your creative flair! Our picnic lunch starts at 12:15 until 1:30pm. The students will then go back to their class to get ready for the Easter Hat Parade while you find a seat to view the extravaganza at 1:45pm. It will take place under the COLA. There will also be an Easter raffle drawn so be sure you get your tickets in!

### PARENT / TEACHER INTERVIEWS

I acknowledge there was an error on the Parent / Teacher Interview note sent home recently and I wanted to clarify that interviews will occur on the afternoons of **Tuesday 9<sup>th</sup> April and Wednesday 10<sup>th</sup> April**. I am sorry for any confusion caused with the error. Staff are looking forward to discussing your child's progress and working together to ensure the remainder of 2019 is both happy and successful. Please make sure you are at your child's class prior to your allocated time, as each interview will go for a maximum of 10 minutes.

### STAFF UPDATE

As mentioned in the last newsletter we will be interviewing for a new Assistant Principal (AP), hopefully to begin in Term 2. This will depend on how long it takes for our Human Resources team to complete the paper work. I have given a great deal of thought as to which class the new Assistant Principal will teach, in discussion with the school leadership team. We believe there is an opportunity here to provide targeted intervention for our K-2 students by asking Mrs Giesijtis to take on an interventionist role for the rest of the year and work alongside Mrs Moore our Instructional Leader. Her experience and skills gained through Reading Recovery training and previous literacy professional learning, will be of great benefit to students who may require extra support.

The new Assistant Principal will replace Mrs Giesijtis on 1/2 Marring. Mrs Giesijtis will work closely with the new AP in the first few weeks to ensure that a smooth handover and transition occurs for the students in 1/2 Marring.

### FAREWELL TO MRS BARNES

A new chapter is opening for Mrs Barnes as she leaves Corrimal PS to start her new role as a mother. We have mixed feelings as the time is nearing as we don't wish to lose such a wonderful teacher and staff member but we are also excited for her in growing her family. I have only known Mrs Barnes for nine weeks, as Principal of Corrimal PS, but I have observed a dedicated, enthusiastic teacher who is committed to her job and the students she teaches. On Friday we saw such commitment when she would not take her entitled Release from face-to-face time as she wanted to be in the classroom with the students due to being sick earlier in the week.

So it is not goodbye to Mrs Barnes as I believe she will be back but it is congratulations, lots of love and well wishes for your new baby and see you back here soon.

### P&C MEETING

Our next P&C meeting will be on **Tuesday, 14th May in the library at 6pm**. To enable parents who work a chance to attend, the P&C will run two evening meeting meetings this year. This meeting will be the first of the evening meetings. We hope to see you there.

### MOTHERS DAY BREAKFAST

Our very popular Mother's Day Breakfast will be held on Friday 10th May, 8am in the outdoor kitchen area. We would encourage all of our Mums/Grandmothers/Aunts to join us as we celebrate the great job you do. There will be more information to come.

### HOW WAS YOUR DAY

Sometimes when your child comes home and you ask them about their day they don't have much say. It is hard at times to find out what has been happening for your child at school so I've included some questions that may help you get more information.

### 10 Questions to ask your child after school instead of "How was your day?"

- What made you smile today?
- Can you tell me an example of kindness you saw or showed?
- What did you do that was creative?
- Did you make any new friends today?
- Tell me something you know today that you didn't know yesterday.
- What made your teacher happy?
- What was the hardest rule to follow today? Why?
- If you could change one thing about your day, what would it be?
- What kind of person were you today?
- How can you improve tomorrow?

### LIBRARY NEWS PREMIER'S READING CHALLENGE

The NSW Premier's Reading Challenge (PRC) is now open for 2019. K-2 students will be listening to and reading their 30 books from the PRC list during their library lessons and I will enter the books online for their student records. Years 3-6 students need to read 20 books (15 from the PRC list and 5 free choice). Students can see me for a reading log to record their books or they can enter the books online on the Premier's Reading Challenge website using their student portal username and password. This is the same as the one the students use for the computer network at school. The list of books that can be read can be found on the PRC website. There is a link to the PRC website on each student portal page or on <http://online.det.nsw.edu.au/prc>. Student reading records must be completed by 30th August 2019. ## Mother's Day

### MOTHERS DAY STALL

### FRIDAY 10TH MAY

Term 2 seems like a long way away but it will be here before we know it. In the second week of Term 2 the P&C holds one of its favourite events, our annual Mother's Day Stall. Preparations for it are already underway and we are accepting donations for the stall now.

Generally the children like to buy a couple of presents each, if not more, at our stalls so to make sure we have enough gifts for every child in all 10 classes we are asking all families at the school to donate 2-3 inexpensive items-new or handmade. No idea what to donate?? Why not use our year specific list below for some ideas:

- Kindy - Chocolates, flavoured teas or coffee pods, pack of flower seeds
- Year 1 – Pens & little note pads or shopping lists pads, special soaps
- Year 2 – keyrings , small cosmetic items like nail files or polish, hand lotions

- Year 3 – Scarves, other stationary, reusable eco bags
- Year 4 – Candles, small photo frames
- Year 5 – Mugs, slippers, face towels
- Year 6 – Small potted plants, gardening tools, cookbooks

Please send in your donations to the school office no later than Wed 8th May.

**SHARE IN THE FUN:** Parent volunteers (at least 6 would be nice) are needed to help sort and wrap gifts the morning of Wednesday 8th May in the library at 9am. If you have a younger child with you, they are welcome to come. We also need at least 6 parent helpers on the day (Friday 10th May from 9-11am) to help sell in the school hall. It is always great fun to see the children's smiling faces as they pick and choose their gifts. If you would like to lend a hand, whether you are a mum, dad, aunt , uncle or grandparent please see Lenora or Helen B or email

We need at least three new volunteers to be able to provide ethics classes for everyone who wants them for their child. We currently have large classes in year groups K-2. It would be great to be able to split these groups into smaller classes to give the students a better quality of discussion.

Ethics classes are run on Wednesdays from 12:45pm – 1:30pm.

Ethics classes include scenarios, poems and stories, group work and activities to encourage the children to think about what they should do in different situations, about how circumstances might make a difference and about the consequences of their actions.

Ethics classes can be taught by parents, carers, grandparents, other relatives or members of the community. Lessons are fully scripted and training is provided.

If you would like to consider volunteering for Primary Ethics, or know someone who might be interested, please apply online at [www.primaryethics.com.au/volunteer](http://www.primaryethics.com.au/volunteer) or contact Suman Maharaj [ethics.corrimal@gmail.com](mailto:ethics.corrimal@gmail.com)

# The simplest way

... To make Japanese vegie pancakes

Makes: 12 | Prep time: 15 min | Cook time: 10 min

## Ingredients

½ small cabbage, very thinly sliced  
4 medium carrots, grated  
2 cups baby spinach, thinly sliced  
4 spring onions, thinly sliced  
½ cup wholemeal plain flour  
6 large eggs, lightly beaten  
Pinch of salt  
Olive oil spray

## Method

Place the vegies in a bowl and mix together. Toss with the flour, coating all the vegies. Stir in the eggs and pinch of salt.

Lightly spray a large non-stick fry pan with olive oil spray and heat over med-high heat. You may need to re-spray between batches. Add heaped tablespoons of the mixture to the fry pan in rounds. Gently press to flatten. Cook until golden, approx 3 minutes, and then turn to cook the other side.
