Stage 3 Camp - Expression of Interest

Dear parents and caregivers,

It is with excitement that we can advise that in Term 3, Stage 3 will have the opportunity to attend a two-night camp at Fitzroy Falls in the Southern Highlands and will be organised by Optimum Experiences. The camp will be held between Monday 2nd of August and Wednesday 4th of August.

At this point, we are asking for this 'Expressions of Interest' note to be completed in order for us to finalise the number of attending students. The camp is designed to provide Stage 3 students with the opportunity to experience important academic and social learning opportunities.

The cost of the camp will be \$340. This will cover all meals, activities, accommodation and transport. The total amount does not have to be paid upfront. Payment through an instalment option will be available.

If you would like your child to attend the Fitzroy Falls camp please return the 'Expression of Interest' below, accompanied by a \$50.00 deposit by **Tuesday 25th May, 2021.**

Please note that the \$50.00 deposit is not refundable once it is paid.

If you would like to apply for Student Assistance to help pay for the excursion, please contact the ladies in the Office. All applications for Student Assistance are strictly confidential.

More information will be made available once 'Expression of Interest' notes have been received and processed.

Kind regards,

Ms Karen Vincenzini
