### Easter Hat Parade

Dear Parents and Carers,

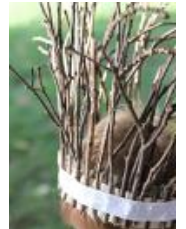

This year, Corrimal Public School will be holding our annual Easter Hat Parade on **Thursday March 28** (Week 9). The parade will be held in the area around the Camphor Laurel tree at **2pm**.

Just like last year, we are challenging students and families K-6, to use their critical and creative thinking skills to make '**Sustainable Easter Hats**'. The idea behind this is to limit the waste we create and reduce our overall environmental impact as a school.

There are three ways that you can make a Sustainable Easter Hat:

#### **Make an Easter Hat from recycled or second-hand materials**

Use items from an op-shop or that you already own  
Use items from last year's Easter Hat  
Repurpose items for your Easter Hat

#### **Make an Easter Hat that can be completely or partially recycled**

Use materials that can be recycled such as paper, cardboard or plastic containers etc.

#### **Make an Easter Hat from natural materials**

Take your children on a nature walk and see what they can collect to decorate their Easter Hat (e.g. sticks, feathers, leaves and flowers).

Or make a hat using a combination of all these ideas! We are very excited to see what you come up with!

If you have any questions, please do not hesitate to ask Miss Faulks and Miss Fitzgerald or your child's classroom teacher.

Kind Regards,

Miss Faulks and Miss Fitzgerald
