Dear Parents and Carers,

'Footsteps' K-6 Dance Program, Term 4 2024

Next term, all students at Corrimal Public School will be participating in a Dance Program with Footsteps. Since 1995, Footsteps has taught throughout Australia and New Zealand focusing on the creative, fun and engaging connection between student and dance.

Students will engage in a 40 minute lesson once per week, for eight weeks and be taught a variety of dance styles as an individual or in groups. The program is directly linked to the Dance, Creative Arts & Physical Education (PE) curriculum and students will establish skills in fundamental movement as well as appreciation for cultural dance. There is a focus on familiarising students with the elements of dance, choreography, characterisation and more. Student will learn to interact with others and demonstrate appropriate social skills with their peers.
